CURRICULUM DEVELOPMENT

POLICY MANAGEMENT

Adopted: 11/2010

Reviewed/Revised: 12/15*, 2/19, 2/22*

Mandatory: Yes

Frequency: Every 3 years

Distribution: Not specified

I. PURPOSE

The purpose of this policy is to provide direction for continuous review and improvement of the school curriculum.

II. GENERAL STATEMENT OF POLICY

Curriculum development shall be directed toward the fulfillment of the goals and objectives of the education program of the school.

III. RESPONSIBILITY

- A. The principal shall be responsible for curriculum development and for determining the most effective way of conducting research on the school's curriculum needs and establishing a long range curriculum development program. Timelines shall be determined by the principal that will provide for periodic reviews of each curriculum area.
- B. The Academic Review Committee shall provide assistance at the request of the principal. The committee membership shall consist of various faculty members and when possible may include parents. The committee membership may change from time to time based upon curriculum needs of a given year.
- C. Within the ongoing process of curriculum development, the following needs shall be addressed:
 1. Provide for articulation of courses of study from kindergarten through grade twelve.
 2. Identify minimum objectives for each course and at each elementary grade level.
 3. Provide for continuing evaluation of programs for the purpose of attaining school objectives.
 4. Provide a program for ongoing monitoring of student progress.
 5. Provide for specific, particular, and special needs of all members of the student community.
 6. Develop a local literacy plan to have every child reading at or above grade level no later than the end of grade 3, including English learners, and

- teachers providing comprehensive, scientifically based reading instruction consistent with law.
7. Integrate required and elective course standards in the scope and sequence of the school's curriculum.
 8. Meet all applicable requirements of the Minnesota Department of Education.
- D. Students identified as not reading at grade level by the end of kindergarten, grade 1, and grade 2 must be screened for characteristics of dyslexia. Students in grade 3 or higher who demonstrate a reading difficulty to a classroom teacher must be screened for characteristics of dyslexia unless a different reason for the reading difficulty has been identified. See Minn. Stat. § 120B.12, Subd. 2.
- E. Students who do not meet or exceed Minnesota academic standards, as measured by the Minnesota Comprehensive Assessments that are administered during high school, shall be informed that admission to a public school is free and available to any resident under 21 years of age or who meets the requirements of Minn. Stat. §120A.20, Subd. 1(c). A student's plan under this section shall continue while the student is enrolled.
- F. The principal shall be responsible for keeping the board of directors informed of all state-mandated curriculum changes, as well as recommended discretionary changes, and for periodically presenting recommended modifications for the board of directors review and approval.
- G. The principal shall have discretionary authority to develop guidelines and directives to implement board of directors policy relating to curriculum development.
