III. CALENDAR RESPONSIBILITY

- A. The school calendar shall be adopted annually by the board of directors. It shall meet all provisions of Minnesota statutes pertaining to minimum number of school days and other provisions of law. - C. Proposed changes in the school day shall be subject to review and approval by the board of directors.

- C. An e-learning day is counted as a day of instruction and included in the hours of instruction pursuant to Section III.A., above.
- D. The e-learning day will include accommodations for students without Internet access at home and for digital device access for families without the technology or with an insufficient amount of technology for the number of children in the household. The school will also provide accessible options for students with disabilities.
- E. When an e-learning day is declared by the school, notice will be provided to parents and students at least two hours prior to the normal school start time whenever feasible.
- F. On an e-learning day, each student’s teacher must be accessible both online and by telephone during normal school hours to assist students and parents.
