ISD 834 TRANSPORTATION POLICY

Policy Title: Transportation

Policy Level: R 4.5

Date Approved: Policy Adopted: 1-17-72; Revised: 5-08-85; Amended: 12-15-94; Amended: 6-2002; Amended: 9-11-03; Reviewed 3/27/14

It is the policy of I.S.D. 834 to provide safe, efficient, and appropriate transportation services to all authorized passengers in accordance with all applicable state and federal law.

The nature of the equipment provided for transportation, the scheduling of its use, and the walking zones that affect transportation shall be determined solely by the Board of Education or its duly authorized representative. In cases where transportation is required, but it is not considered feasible to furnish bus transportation, contracts may be established to provide alternative transportation.

Rationale: Safe, efficient, appropriate transportation will be provided in accordance with law. Reasonable walk zones and bus pick-up locations limit the cost of transportation and allow resource allocation to educational programs.
